

QUAIL CREEK LADY PUTTERS

Bruncheon/Meeting

Wednesday, April 17, 2019

Old Business

April 10th the club joined Saddlebrooke Ranch for a putting event. The elements worked against us, wind and cold, but the event was still a success.

New Business

We will vote on a dues increase to \$20 later this year. This would be the first increase in 15 years and reflective of increased expenses. \$5.00 of these dues go to the pro shop for green fees.

Upcoming events

May 22 - 3 clubs, Lady putters, Niners and 18 Holvers

August - There will be a Putter/Duffer event in August, date still be determined

New Shirt order

Shirts are available to try on before you place your order in the Pro Shop. As it has been 15 years since our shirt design and color have been changed, your board selected a new style, new color (red) and a clothing line with an available size range to fit all our members.
